Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the **2022-23** educational progress for **WEST BENDLE ELEMENTARY**. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact **Mr. Brock Place** for assistance.

The AER is available for you to review electronically by visiting the following link: <https://bit.ly/3jD1EGj>, or you may review a copy in our main office at your child's school.

For the **2022-23** school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2022-23. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67% in 2022-23. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given any of these labels.

Expectations for high academic achievement exist throughout each of our classrooms. Administrators and staff are also committed to addressing the barriers to learning facing many of our students. In order to address these barriers to learning, social work services, tutoring, and a "multi-tiered system of support" continues to be implemented. Multiple formative and summative assessments are used to monitor and develop alternative strategies specific to those students both above and below grade level. Research based programs for reading and math are being used. The district also provides staff with professional development opportunities that target teaching, data collection, and assessment practices to better address the needs of all students.

State law requires that we also report additional information.

1) PROCESS FOR ASSIGNING STUDENTS TO THE SCHOOL:

West Bendle Elementary is the only 3-5 building within the district. Parent requests for specific teachers are honored to the greatest extent possible.

2) STATUS OF 3-5 YEAR SCHOOL IMPROVEMENT PLAN:

West Bendle Elementary School Improvement Plan is an ongoing and ever-changing document that is updated throughout the school year based on collected data.

6) STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES:

Number of Parents Attending Parent-Teacher Conferences	% of Parents Attending Parent-Teacher Conferences
2021-22: 221	2021-22: 94%
2022-23:222	2022-23: 92%

West Bendle Elementary is one of the higher performing schools given poverty levels within Genesee County. Performance levels are also higher than several other schools with a lower rate of poverty. One of the most commonly referenced factors directly influencing a child's academic success is parent involvement. There are numerous ways parents can make a difference. Please feel free to contact your child's principal for more information on West Bendle Elementary.

Sincerely

Tom Meszaros
